

# Los Tree Amigos

Los Tree Amigos, West Texas' non-profit Urban Forestry Organization brings to you:

## *Desert Sombra*

A tree grant program for any group wishing to plant trees for the benefit of their local community. The program is open to all nine counties west of the Pecos River, and the bordering NM counties of Dona Ana and Otero.

The West Texas Urban Forestry Council's mission is to promote the preservation, health and expansion of community trees in the El Paso region. Together with friends of the WTUFC, "Los Tree Amigos", we work to promote "desert green"- shade friendly and water smart. Our organization is committed to providing trees to worthy tree planting projects where irrigation and maintenance are provided so that trees have the best chance of survival.

### Desert Sombra applicants must complete this application.

Applications may be submitted at any time, but planting will be scheduled only between October 1<sup>st</sup> and December 31<sup>st</sup> which is the best time to plant trees in our region. Applications must be submitted by September 1<sup>st</sup>. Tree quantities are limited, and projects will be rated to determine where trees are allocated. "Free" trees shall be provided as 1-gallon saplings, with a minimum order of ten. Larger trees are also available, as part of our cost share program.

**Desert Sombra Application:** Please complete the information below to the best of your ability and fill in all blanks as completely as possible. Use additional sheets as necessary. Complete and forward to web contact provided at [www.wtufc.org](http://www.wtufc.org), or mail to the West Texas Urban Forestry Council, 401 E. Franklin Ave., Suite 550-B, El Paso, TX 79901. Should you have any further questions, please contact us at the web contact provided at [www.wtufc.org](http://www.wtufc.org) or call 915.834.5610. All information may be submitted via email or regular email.
